ANY ACCEPTANCE OF THIS ORDER IS LIMITED TO ACCEPTANCE OF THE EXPRESS TERMS OF THE OFFER CONTAINED ON THE FACE AND BACK HEREOF ANY TERMS AND CONDITIONS (ORAL OR WRITTEN) DIFFERING FROM, OR IN ADDITION TO, THE TERMS AND CONDITIONS SET FORTH HEREIN, WHETHER OR NOT SUCH DIFFERENT OR ADDITIONAL TERMS MATERIALLY ALTER THE TERMS AND CONDITIONS OF THIS ORDER, ARE HEREBY OBJECTED TO BY BUYER, WAIVED BY SELLER AND SHALL NOT OPERATE AS A REJECTION OF THIS OFFER WHICH SHALL BE DEEMED ACCEPTED WITHOUT SAID DIFFERING OR ADDITIONAL TERMS AND CONDITIONS.

Additional Terms and Conditions

2. DELIVERY — Time is of the essence for this order. If no delivery time is specified, then delivery will be required in reasonable time. Unless expressly specified, delivery may not be made in installments. Deliveries will be made in quantities and at the time(s) specified herein. If Seller’s deliveries fall to meet schedule, Buyer may, without limiting its other rights or remedies, direct expedited production scheduling and routing and Seller will pay any additional costs incurred. Alternatively, Buyer may exercise its right to terminate pursuant to paragraph 11 herein, any part of or the entire Order in the event, (i) Seller fails to make schedule delivery of any or all of the products ordered, including without limitation, raw material, components, intermediate assemblies and other like supplies (hereinafter “Goods”) or (ii) Seller fails to perform the services described herein or (iii) Seller’s performance, in Buyer’s opinion, substantially endangers completion of this Order. Buyer will not be liable for Seller’s commitments or production arrangements, which are entered into in advance of issuance of this Order or which are in excess of the amount or in advance of the time necessary to meet Buyer’s schedule(s). If Seller delivers Goods in advance of Buyer’s schedule(s), Buyer may withhold payment therefore until the date upon which Goods were actually scheduled for delivery or store the Goods at Seller’s expense until such scheduled delivery date. Delivery of all goods shall be F.O.B (or DDU (Incoterms 2000) for transborder shipments) Buyer’s facility. Risk of loss and title shall transfer to Buyer upon receipt at Buyer’s facility.

3. INSPECTION AND ACCEPTANCE OF GOODS — All Goods ordered will be subject to inspection and test by Buyer at time; and places deemed necessary by Buyer including inspection during the period of manufacture at Seller’s facility; Seller will permit access to its facilities at reasonable times for inspection of Goods by Buyer’s representatives and will provide all tools, facilities and assistance reasonably necessary for such inspection at no cost to Buyer. Such Goods will be subject to inspection and acceptance by Buyer after delivery to Buyer. Inspections and payments made by Buyer prior to delivery will not constitute acceptance.

If Goods do not meet the specifications or otherwise do not conform with the requirements of this Order, Buyer will have the right to reject such Goods. Goods rejected after delivery may, at Buyer’s option, be returned to Seller for reimbursement, credit, replacement or correction at Seller’s expense or Buyer may correct or replace such goods at the Seller’s expense. Any Goods rejected and returned to Seller will not thereafter be rendered for acceptance unless the former rejection or requirement of correction is disclosed to Buyer. Packaging, handling and transportation costs relating to return and re-delivery of rejected Goods will be paid for by Seller.

Seller will maintain inspection and quality control systems acceptable to Buyer. The system of quality control including, but not limited to, drawings, specifications and other data, will conform to the quality control requirements specified by Buyer or, if unspecified, will meet the highest standards in the industry, which shall include FAA or equivalent standards for Goods entering the chain of supply. Seller shall maintain adequate inspection and test reports, affidavits, certifications and other documents which relate to work performed under this Order. Such documents will be available upon request to Buyer for a period of three (3) years after completion of this Order.

4. CHANGES — Buyer may, at any time, by a written order, make changes in any of the following: (a) tooling drawings, designs or specifications, where the Goods to be furnished are to be specially manufactured for Buyer in accordance therewith, (b) method of shipment of packing; and (c) place of delivery and delivery schedule, and Seller will promptly comply with such change(s).

If any such change(s) cause an increase or decrease in the cost of, or the time required for the performance of any work under this Order, an equitable adjustment will be made in the price or delivery schedule, or both, and this Order shall be modified in writing accordingly. Any claim by seller for adjustment under this paragraph must be asserted within fifteen (15) days from the date of receipt of notice of change by Seller unless Buyer expressly waives such requirements in writing. Where the cost of property made obsolete or excess as a result of any change requested by Buyer is included in Seller's claim for adjustment, Buyer shall have the right to prescribe the manner of disposition of such property. Failure to agree on any claim for an equitable adjustment under this paragraph will be a dispute and either party may thereupon pursue any remedy which it may have in any court of competent jurisdiction or under DAR, if applicable. Pending the resolution of any such dispute, Seller will diligently pursue the performance of this Order as changed.

5. DRAWINGS AND SPECIFICATIONS REVIEW — In the event Buyer reviews drawings, specifications, or other data developed by Seller in connection with the Order and makes suggestions or comments or improves such documents and data, such action is merely an expression of opinion by Buyer and will not serve to relieve Seller of any responsibility for such drawings, specifications or other data or for performance of this Order.

6. BUYER'S CONFIDENTIAL INFORMATION — Seller will keep confidential all information, drawings, specifications or data furnished by Buyer and shall not divulge or use such information, drawings, specifications or data for the benefit of any third person or entity. Except as required for the performance of this Order, Seller will not make copies or permit copies thereof to be made without the prior written consent of Buyer. Seller will, upon completion of this Order, return all such data, including all copies thereof, to Buyer and make no further use, either directly or indirectly, of any such data or of any information derived therefrom without obtaining Buyer's prior written consent. Confidential Information shall not include, and the obligations set forth above shall not apply to information, which: (a) was known to the Seller at the time of disclosure; (b) is at the time of disclosure publicly available or generally known in the industry; (c) subsequent to disclosure becomes publicly available or generally known in the industry through no fault of the Seller; (d) is received by the Seller from a third party having the right to disclose the information and having no obligation of confidentiality to the Disclosing Party; or (e) is required to be disclosed pursuant to an applicable law, regulation, or judicial action, provided that Seller provides Disclosing Party reasonable notice of the disclosure requirement and that Seller cooperates (at Disclosing Party's expense) with Disclosing Party's efforts to limit the disclosure requirement.

7. USE OF SELLER'S INFORMATION — Seller agrees that all information heretofore or hereafter furnished or disclosed to Buyer by Seller, in connection with the placing or filling of this Order, is furnished or disclosed as a part of the consideration for this Order. Such information is not, unless otherwise agreed to by Buyer in writing, to be treated as confidential or proprietary. Seller will assert no claims (other than for patent infringement) by reason of the use or disclosure of information so furnished or disclosed, unless such agreement is made in writing and signed by a Division General Manager.

If Buyer agrees to pay Seller for special tooling, jigs and other articles, either separately or as a stated part of the unit prices of Goods purchased herein, Buyer may, at its option, upon making payment therefor, take title and possession of such special tooling, jigs and articles, including any dies, tools, gauges, fixtures and patterns.

10. PRICES — The prices of the Goods' purchased hereunder are those stated on the face of this Order and will remain firm for the quantities listed notwithstanding any delays in delivery or acceptance, provided that, in the event Buyer requests and Seller agrees that deliveries be delayed for more than twelve (12) months after the last scheduled date of delivery set forth on the face of this Order, an equitable adjustment in price based upon actual cost increases experienced by Seller as a consequence of such delay will be made. In the event the parties are unable to agree upon such price adjustment, the undelivered balance of this Order may be cancelled. If the price of Seller's Goods generally available is reduced between the time of receipt of this Order and time of shipment, Seller shall reprice its invoice to Buyer and Buyer shall have the advantage of the lower price.

11. TERMINATION FOR DEFAULT — Buyer may, by written notice of default, terminate this Order or any part thereof, without liability to Buyer, in the event of the occurrence of any of the following: (i) Insolvency of Seller, the filing of a voluntary or involuntary petition in bankruptcy by or regarding Seller, appointment of a Receiver or Trustee for Seller, or an assignment by Seller for the benefit of creditors, or (ii) a material uncured breach of any of the terms or conditions hereof. Buyer may, at its option, require delivery of any Goods ready for delivery. Seller will assure that such Goods are capable of delivery free and clear of all liens and other encumbrances. If after notice of termination of this Order has been given, it is determined by Buyer that the Seller's failure to perform this Order is due to any cause beyond Seller's control, such notice of default shall be deemed to have been issued pursuant to Paragraph 12 and the rights and obligations of the parties shall in such event be governed by such Paragraph, provided Seller notifies Buyer promptly of such cause.

12. TERMINATION AT BUYER'S OPTION: LIABILITY UPON TERMINATION — Buyer may terminate this Order in whole or in part by written notice whereupon Seller will stop work on the date and to the extent specified in the notice and terminate all vendor orders and related subcontracts. Seller will comply with Buyer's instructions regarding transfer and disposition of title and possession of such work and material within (30) days after receipt of such notice of termination, or in event Buyer gives no instruction, Seller will take prudent steps to mitigate its damages. Buyer will have the right to audit such claims at any reasonable time(s) by inspecting and auditing the records, facilities, work or materials of Seller and/or its vendors and subcontractors relating to this Order. Buyer will pay Seller, without duplication, the Order price for finished work accepted by Buyer and the cost to Seller of work in process and raw material allocable to the terminated work, based on any audit Buyer may conduct and generally accepted accounting principles, less, (i) the reasonable value or cost, whichever is higher of any items used or sold by Seller in violation of this Agreement, (ii) the agreed value of any items used or sold by Seller and (iii) the cost of any defective, damaged or destroyed work or material. Seller will notify Buyer in writing within forty-eight (48) hours after the beginning of any such cause. Nothing herein shall relieve Seller from making deliveries at the earliest possible time. In the event such delay materially interferes with the performance of Buyer's requirement, Buyer may cancel this Order in whole or in part without further liability.
